Blue Mist Final Wipe

Technical Bulletin - DP232

Features:

- ◆ Safe on Paint, Residue-free
- ◆ Time Saving
- ◆ Biodegradable
- ◆ No Water Requirements
- ◆ Great for Paint, Chrome, Vinyl, Plastic & Leather

Product Description:

Blue Mist Final Wipe is a thin, lightly scented, ready-to-use liquid designed for use on freshly painted, fully cured surfaces as well as chrome, vinyl, plastic and leather. Blue Mist Final Wipe will easily remove dust, fingerprints, dirt, as well as buffing and polishing residue without leaving any film or residue behind.

Product Benefits:

Blue Mist Final Wipe is an excellent showroom maintenance product that produces exceptional results without the use of water. It works on a variety of surfaces, including wood, veneer, chrome and glass. With Blue Mist Final Wipe, just a light spray and wipe will get the job done.

Directions:

With a cool surface, lightly spray Blue Mist Final Wipe on a small area of the vehicle and disperse evenly using a clean terry or microfiber towel. After initial wipe, use the other side of the towel to wipe to a higher luster. Blue Mist Final Wipe can also be used on a wet vehicle to be chamoised and will produce a higher luster on newly-washed vehicles.

Packaging:

- Quarts
- Gallons
- 5 Gallons
- Drums
