

DIAMOND PROFESSIONAL

Diamond Safe S Dressing

Technical Bulletin - DP249

Features:

- ◆ Non-Silicone
- ◆ Body Shop Safe
- ◆ Works Great on Rubber and Vinyl
- ◆ Brightens Door Jams and Underbody Areas such as Fender Wells
- ◆ Self-Leveling
- ◆ Long Lasting and Dramatic Shine

Product Description:

Diamond Safe S Dressing is a body shop safe, purple, non-silicone medium to high gloss dressing that works well on rubber and trim surfaces, such as tires, moldings and mud flaps. It is an easy to apply self-leveling dressing.

Product Benefits:

Diamond Safe S Dressing is a versatile product and can be applied by spraying, brushing or using a sponge applicator on the desired surface. It is a long-lasting, silicone-free exterior dressing that performs remarkably well and is a great solution for paint shops concerned about silicone contaminants.

Directions:

Best results are achieved when DP 249 is applied by hand with sponge applicator to clean surface. Wipe away excess product from surface before moving vehicle. Product "sling" can stain moldings or paint. DO NOT use on or near freshly painted surfaces.

Packaging:

Quarts
Gallons
5 Gallons
Drums
